

Dear Folks;

Ogden, Wt.
Mar. 4-63

I am sure slow in getting my letters written and mailed, We haven't forgotten you good folks. We have hoped to call on you and will soon, We will surprise you I have a job to get all my pictures printed so I can pass some to you folks and Robert Crosbie in Provo.

I haven't been my best for over a year now so the work has had to wait. I am in hopes now that I feel some better I can get started. Slow me.

We had an Elder that returned from Scotland speak to us Sunday night.

I had to ask about my cousin John Crosbie who a missionary has given the lessons to, if they baptized him. He didn't know. I would like him to join the Church as he can get pictures and records of the family for us. He is Josiah Crosbie son Glasgow. We often think of you and will see you soon. Hoping your well and happy. I remain,

Lawrence S. Crosbie
