Dear Marjorie,

I was so glad to hear from you. I have some information on the Talbot line but I did not even know Essie Crosbie's mothers name. Did you ever hear the story about Essie and Russell? My Grandfather Stephen Barton ^{Talbot} told it to me. If you have not heard it I will try and tell it to you.

I'd like to have a family group sheet for Essie's family showing parents and brothers & sisters.

Again it was so nice to hear from you.

Love

Ethel Colton
